Why Hire Us?

KND is a highly recognized and regarded WBE union electrical contractor with a long-standing list of clients who continue to return to the firm for repeat assignments.

The firm is actively involved in the construction industry and is a member of numerous organizations, including: BTEA, STA, NYECA, WBC and many others.

KND's President also serves as the President of the New York Electrical Contractor's Association, New York's leading Union Electrical Contracting Association and has been an active voice in the construction industry.

Company Overview

Founded in 1998, KND Electric (KND) is one of the region's leading Licensed Electrical Contracting and Services Corporations. The firm services Long Island, New York City and select regions in New York State and currently employs over 50 professionals. KND provides superior quality electrical services to its clients in all phases of construction, from complex renovations and gut rehabilitations to new construction and sophisticated power systems.

The firm has over two decades of experience, with a long history of electrical contracting experience spanning over 50 years.
