RE: Capability Statement

SOA Service Corporation was founded in 2007 and has ever since provided construction execution services to NYC and NYS mostly to the public sector. The President of SOA Service Corporation is a mechanical engineer, which gives it an edge in understanding the demands of different projects. SOA is NYC & NYS certified MBE firm and a certified DBE firm.

SOA did an average of 1.65 Mil \$ of business over the last five years. The project range is between 4 mil \$ to 500 K \$. Currently SOA has a bonding capacity of 4 Mil \$. It is a fully insured company with the GL includes the hammer clause for client protection and requirements.

SOA provides the following:

- HVAC & mechanical systems
- Mechanical piping & Fire protection systems
- Painting
- Concrete & masonry services
- General construction services
- Mechanical & piping Insulation systems

SOA is currently working on the following projects:

- OGS – Camp Smith HVAC upgrades
- NYC Parks – VAN Cortland – HVAC & mechanical Piping - plumbing
- DEP PS 277 – HVAC & Mechanical systems
- NYCTA – Rail car Testing Facility - Fire sprinkler & standpipe system

Some of the projects SOA has successfully completed over the years are as follows:

- NYCHA – Farragut Houses GC work for RPH Boiler upgrade
- NYS DOH – 119th GC work for plumbing upgrade
- NY Yacht club new chiller and cooling tower plant
- 3rd Ave Standpipe upgrade

If you have any questions, please call me @ (347) 398-1131.

Sincerely,

Muhammad Omer Saleem
