- WE SPECIALIZE IN FIRE ALARM

### COMPANY DATA

- DUNS: 118178872
- CAGE: 9AHN3
- NAICS: 238210
- MBE
- WBE

### DIFFERENTIATORS

#### Range of Options

We offer a variety of service options to ensure our customers' satisfaction. Along with supplying estimates for direct customers, we offer **Sub-contract** options and **Time & Material** options.

#### Partnership Approach

Partnership and Collaborative efforts are the best ways to achieve a common goal. We maintain our sense of partnership throughout every project.

#### Industry knowledge

Our staff or IBEW trained electricians stay up to date on the newest technology and upgrades to existing systems and operations. This allows us to not only offer the newest tech to our customers, but we can also perform the service in a less time.

### PAST PERFORMANCE

#### SUNY Morrisville

Fire alarm system installation for C&S

#### Corning Museum of Glass

Building renovation with LeChase

#### Buffalo Bills Stadium Project

Temporary Lighting and power for project Phase 1
